CAPTAINS MEETING

Minutes from last week's CAPTAINS meeting are attached. Included is a comparison of national test scores for Dist. 60, Dist. 70, Colorado Public Schools, and Trinity Lutheran School. We are very proud of our students and their representation of our school. Also attached is the CAPTAINS Financial Report. One source of income for CAPTAINS that shows on the report is from Kroger. This is a passive fundraiser that only needs anyone who has a King Soopers shopper card to open the app, select the three lines from the upper right corner, scroll down to Rewards, select Community Rewards, then type in Trinity Lutheran. A percentage of any purchases made using your Soopers card will be donated to the school.

STUDENT COUNCIL COAT DRIVE

The Student Council Coat Drive is going strong. If you have any outgrown, slightly used coats you would like to contribute, there is a collection box outside the school office.

TRINITY THANKSGIVING FEAST

This Friday, Nov. 22nd, at 11:00 we will hold the Trinity Thanksgiving Feast. All students and their families are invited to attend. We are asking those attending to contribute to the feast by going to <https://www.signupgenius.com/go/10C0F48ACA62DA5F4C70-53374986-thanksgiving> and signing up to bring one item

Trinity Lutheran School

Endure

Hebrew 12:1-3

Nov. 22nd, Fri School Wide Thanksgiving Dinner

Next Week

Nov. 25th-29th Thanksgiving Break
No School

Coming Up:

Dec.5th CAPTAINS meeting
3:30

DOUBLE GOOD POPCORN FUNDRAISER

The Double Good Popcorn Fundraiser started today at noon and ends this Friday, Nov. 22nd, at noon. This is a really simple fundraiser that takes little work from our students or their families. The only requirement for you to participate is to follow the directions on the attached flyer to open your student's online Pop-Up Store and send the link to to all your friends and family. This is a national company that ships all across the country. The popcorn is ordered online and shipped directly to the recipient. This year we are hoping to raise \$10,000 to purchase a Smartboard and laptop for our 2nd grade class that we will be adding next year. Any extra funds will go toward school field trips and enhancing school safety.

We have an amazing prize for our top seller. This year the if the top seller is from ELA they will receive a home ball pit. If the top seller is from the school they will receive their very own 3-D printer with spool of filament. The 2nd-4th place sellers will receive a 3-D print of their choice and the top seller in each class will receive a gift card.

Please see the attached flyer for details to create your student's Pop-Up Store and let's get the word out there!

Worship with Us

Saturdays—5:30 pm ..Evening Worship

Sundays—9 am .Worship Service
