Claw-set

Spring is here. Many students have SPRUNG up over the past few months. The school has a gently used uniform exchange program that we call the "Claw-set". The parent brings in uniform items and may exchange them for like items in a larger size. If we don't have a like item to exchange with, you may also consider donating your gently used items.

The current Claw-set uniforms will be on display in the fellowship hall this week. Please consider going through your uniforms and bring them in.
