PEN PAL Project

Would your child like to have a pen pal? We are offering a program for 2nd –5th grades to sign up for a writing pal! They will be matched with another child of similar age & interests. This is a great opportunity to communicate with other students and improve writing skills. The deadline is September 25th. If interested, parents are to mail the registration form (attached to today's Tiger Tales) directly to the coordinator. What a great opportunity for your child to share their faith with other kids!
